Important Questions	Answers	Why This Matters:
What is the overall deductible?	Per participant: \$300 network	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay.
	Per family: \$600 network	If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	<b>Yes.</b> Some services such as office visits require a copayment while preventive care is provided at no cost.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For Medical: Per participant: \$2,750 network Per family: \$5,500 network For Prescription Drugs: Per participant: \$4,100 network Per family: \$8,200 network	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.  If you have other family members in this <u>Plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billed charges</u> , health care this <u>Plan</u> doesn't cover, pre-certification penalties, and medical food charges.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes, for medical: BlueCross® BlueShield® of Arizona. For a list of network providers, call BCBSAZ at 1-800-232-2345 or visit www.azblue.com/CHSNetwork.  Yes, for prescription drugs: Navitus. For a list of retail and mail pharmacies, log on to www.navitus.com.	This <u>plan</u> uses a <u>provider</u> network. You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an out-of-network provider for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
