

IMPORTANT NOTICE FROM ARIZONA METROPOLITAN TRUST (AzMT) ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Arizona Metropolitan Trust (AzMT) and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. AzMT has determined that the prescription drug coverage offered under the Exclusive Provider Organization (EPO), and Preferred Provider Organization (both PPO and PPO Buy-Up) plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with AzMT and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

What Happens To Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current AzMT coverage will not be affected. Your current AzMT medical coverage pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare drug plan, you will still be eligible to receive medical and prescription drug benefits through AzMT. If you do enroll in a Medicare drug plan, in general, the following guidelines apply:

- If you are an active employee, or the covered dependent of an active employee, you are required to obtain your outpatient prescription drug benefits through your AzMT plan first. You can then file on a secondary basis with your Medicare drug plan.
- If you are a COBRA participant, or the covered dependent of a COBRA participant, you are required to obtain your outpatient prescription drugs through your Medicare drug plan first. Secondary coverage is not available through AzMT.

Important: You can only waive prescription drug coverage by waiving the entire AzMT medical/prescription plan coverage for yourself and your dependents. Remember, if you do waive your AzMT coverage, active employees can only re-enroll in the medical/prescription combined plan during the next Open Enrollment Period.
